

60 mm

The diagram shows a square with a side length of 60 mm. A vertical dimension line on the left side is labeled '60 mm'. A horizontal dimension line at the bottom is labeled '60 mm'. The text 'Inverkehrbringer address of distributor nom et l'adresse du distributeur' is centered within the square. Below the square, the text '3 mm Überfüllung für Beschnitt, ringsum' indicates a 3 mm overflow for cutting around the perimeter.

Inverkehrbringer
address of distributor
nom et l'adresse du distributeur
